MEMORANDUM FOR: DD/P/EE Plans Staff

25X1A9a

ATTENTION: [REDACTED]

THROUGH: Chief, Geography Division, OHR

SUBJECT: City Plan of Gdansk, Poland

REFERENCES: Our memorandum of 27 August 1959 on urban intelligence and subsequent discussions and correspondence

1. Attached are copies of the city plan of Gdansk in three versions: base planimetric (27355.1); planimetric with place names (27355); and annotated (27355.12). As indicated in the referenced memorandum, research had been completed on this plan at the time of our re-evaluation of the European Satellite urban area program. It was accordingly decided to proceed to publication rather than suspend work in mid-stream.

2. Copies of the plan have also been sent to [REDACTED] of the Polish desk and to SR-6. Additional copies as required may be procured from the reference desk of the CIA Map Library.
